

# Janitor, cleaning staff, technician? How to stay safe!

Maintain sufficient distance

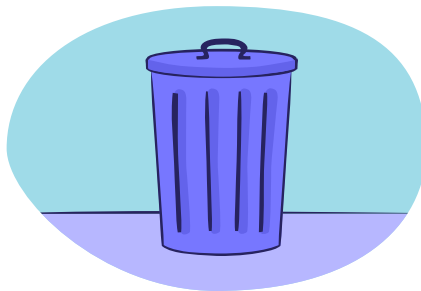

Wash your hands thoroughly and regularly

Do not shake hands and avoid unnecessary contact

Cough or sneeze into a paper tissue

Provide a sealable waste bin in the access area

Wear protective equipment and also always provide disinfectant

- Make residents aware of the safety measures applied in the building.
- Display the prevention measures that apply to residents (on each floor) and people from outside. If possible, inform people from outside in advance.
- Limit unnecessary contacts in the building.
- Respect the cleaning arrangements that apply in the building.
- Pay extra attention to cleaning/disinfecting surfaces that are frequently touched.
- Ensure good hygiene for cleaning materials and work equipment
- If you are ill, stay at home and inform your employer.
